Snowflakes, Snowflakes

Sung to: "Twinkle, Twinkle Little Star"

Snowflakes, snowflakes, dance around,
Snowflakes, snowflakes, touch the ground
Snowflakes, snowflakes, in the air
Snowflakes, snowflakes, everywhere
Snowflakes, snowflakes, dance around
Snowflakes, snowflakes, touch the ground

SNOW GLOBES

You can make snow globes using baby food jars, glitter, and found objects.

What You Need:

- Small jar, with lid
- Glitter
- Plastic toys (optional)
- Seashells (optional)

What You Do:

Take the jar and pour in some glitter - not too much, just enough to give a sparkle effect, into the bottom of the jar. Add any small plastic toys or seashells into the jar. Fill with water to the top and place glue on the rim of jar, then replace the lid, very tightly, then shake the jar. The glitter will appear as snow in a real snow globe.
