It's Your Community.

It's Your Business

Domestic violence can take many forms.
You may be a victim of domestic violence
if your partner:

- ~Hits, kicks, slaps or shoves you.
- ~Is extremely jealous or has an explosive temper.
- ~Throws things at you or breaks things in anger.
- ~Criticizes, threatens or blames you frequently.
- ~Tries to control your behavior or forces
you to have sex.

Domestic violence affects us all.
It destroys homes and it destroys families. As a
community we need to be continually vigilant and
aware. Take a stand against
domestic violence.

**THERE'S NO EXCUSE
FOR DOMESTIC VIOLENCE**
